

## **THE BREW (UK)**

Hailing from the North Eastern fishing town of Grimsby, UK, THE BREW have gained a reputation as being one of the most exciting live rock acts in Europe today. To date they have released five chart topping albums to their credit, in their unchanged, original lineup, featuring, Tim Smith on bass, Kurtis Smith on drums and Jason Barwick on guitar and vocals.

The breakthrough for the band came in 2009 when they appeared on the world famous Rock Palast TV show, and following the successful album releases of “A Million Dead Stars” and “The Third Floor”, they again returned the WDR Rock Palast show in 2012.

THE BREW have toured with the likes of ZZ Top, Lynryd Skynyrd, and shared the stage with Ozzy Osbourne, Jeff Beck, to name but a few.

Their current critically acclaimed album releases of “Control” (2014), “Shake the Tree” (2016) and “Art of Persuasion” (2018) have seen the band cement their status as one of the leading rock acts in Europe today.
